Sunset Flower Farm

About our Farm + Farm Etiquette

- We are a working flower farm where flowers are harvested daily. There may be people working or strolling outside during your shoot on the property but we will be sure to give you space and privacy for your time slot. The fields will have flowers at preferred times.
- Pets are only allowed in sessions and must be on a leash at all times, poop must be picked up by the owner and disposed.
- Picking the flowers is prohibited. Please do not damage flowers in the rows.
- Private residence, large farm equipment, event barn, outdoor sheds and pool, we ask that you refrain from accessing those areas unless approved by owner.
- The option to purchase a Bouquet is available in advance with your reservation
- Smoking on the farm is prohibited
- There is a portable toilet available, but photographers are responsible for informing clients that there is no changing area.
- We ask that you arrive no sooner than 15 min before your shoot and are respectful of your time slot. Please bring your own bug spray and water.
- Please note that we have the right to ask you to leave if we feel your behavior is unacceptable at any time.
- Sunset Flower Farm assumes no responsibility for the loss, theft or damage to any equipment or belongings.
- A farm guest "agrees to indemnify and hold harmless the landowner from any claims made by the user or third parties arising from the use of the land or activities"
