

Assistant Field/Venue Manager

The Job:

- Prepares fields for annual plantings of crops using tractor-mounted implements or by hand
- Leads a team to prepare field beds for plantings using walk behind tractor and hand-scale tools, and to transplant and maintain crops
- Assures a timely flow of seedlings to the production fields to transplant manually in accordance with provided field maps
- Maintains annual and perennial plantings: timely cultivation (hoes, hand-weeding, and mechanical implements) trellising, disease control, etc.
- Ensures timely direct sowing of flower crops
- Harvesting flowers and preparing for market
- Installs, repairs, and runs irrigation as needed
- Mowing and maintaining fields and venue
- Attends to minor equipment maintenance issues; inspects equipment regularly and reports any issues which need attention
- Set up and break down of tables and cleaning the venue

Requirements:

Minimum one full season experience working on a production farm

Strong experience and interest in all facets of growing, including plant and soil health

Experience safely operating tractors, BCS tiller and PTO-powered implements. (disc, mower, etc) strongly preferred.

Ability to connect and disconnect implements to a three point hitch

Experience hooking up drip irrigation

Can load and unload freight deliveries and transport bulk materials around the farm

Excellent interpersonal skills, ability to encourage and rally a team

Sunset Flower Farm is Hiring

Schedule and Compensation:

This position is seasonal and ending in October

3-5 days/week Monday to Friday with some flexibility required, as well as rotating half-days on weekends during spring and early summer
8 am - 4 pm work days

Starting pay for a management track position is \$18.00 hour. Once an employee demonstrates an ability to effectively oversee their specified area of management, a pay promotion of \$20.00 hour would be given as a raise.
